

*I could have learnt it the hard way in a few years.
RupeeCamp made it possible in a matter of few hours!*

Sanjay Kr. Srivastava

Ranjan's services are unique, transparent and customer friendly in a scenario dominated by jargons and opacity.

Ashutosh Tiwari

*I learnt to understand my financial situation and the workshops helped me take better financial decisions.
Thanks to Ranjan.*

**A
Personal
Finance
School**

Facts:

According to a research by NCAER/Max New York Life Insurance...

- 9% can survive more than 1 year upon the death of chief earner.
- 8% said they can manage their child's education and wedding needs.
- 2% said that they can manage a good pension/retirement.
- 3% said they can manage their health emergency needs.
- 19% said they can manage their growth needs.

Take control of your finance with RupeeCamp

RupeeCamp is a structured program on personal finance where you will learn all the money skills you require. RupeeCamp would be delivered by industry experts and would be packed with workbooks, videos and resources.

Who is it for?

- » RupeeCamp is for young professionals who need cost effective, independent advice on managing their money.
- » RupeeCamp will help those people who have just started earning to get started on the right path.
- » RupeeCamp is for smart people who have more important things than personal finance to bother about. RupeeCamp will help them take all the financial decisions, automate their money management and then let them focus on things that matter to them.

Topics:
